**LAGUARDIA GATEWAY PARTNERS ANNOUNCES FIRST SET OF RESTAURANTS AVAILABLE AT
LAGUARDIA AIRPORT'S TERMINAL B**

(New York, NY) – LaGuardia Gateway Partners (LGP), the private entity operating and redeveloping LaGuardia Airport's Terminal B, today announced the first set of new restaurants opening later this year as part of the new state-of-the-art terminal. The restaurants will be located in the eastern concourse of the new terminal.

Featuring exclusive offerings from airport specialists HMSHost and SSP America, the concepts are the product of a meticulous selection process, using consumer feedback to bring world-renowned brands and NYC favorites to Terminal B, while also creating local jobs in Queens. Offerings from each partner include:

- HMSHost will provide the unique dining experiences of Osteria Fusco, Shake Shack and La Chula Bar and Taqueria.
- SSP America will contribute offerings from Irving Farm Coffee Roasters, Kingside Bar and Restaurant and 5 Boroughs Food Emporium.

"We're so proud to work with these strong operators to create a guest experience worthy of the greatest city of the world, with the majority of our brands locally grown" said Ed Baklor, Chief Commercial Officer of LaGuardia Gateway Partners. "Each new offering in Terminal B reflects New York's history and tradition and will highlight local businesses and drive the Queens economy."

"A 21st century global gateway like the new LaGuardia Airport should feature some of our region's best local offerings," said New York Governor Andrew M. Cuomo. "From a Hudson Valley coffee roaster, to a Mexico City style taqueria born in East Harlem, to the city's most famous burger stand and other local purveyors, the new Terminal B will highlight iconic restaurateurs and give travelers who pass through it an authentic taste of what it's like to be a New Yorker."

"HMSHost is extremely excited to be a part of creating an unprecedented culinary travel experience in LaGuardia Airport's new state-of-the-art Terminal B. This is such an important travel hub to the nation, and we thank LaGuardia Gateway Partners for this valuable opportunity," said HMSHost President & CEO Steve Johnson. "HMSHost is committed to delivering this experience by partnering with the most highly-acclaimed New York restaurateurs."

Pat Murray, executive vice president of SSP America, commented: "The redevelopment of one of the country's most renowned airports is a significant moment in American aviation history, heralding one of the largest public-private partnership projects ever undertaken for a new transportation infrastructure in the United States. SSP America recognizes the magnitude of this momentous project, and is deeply

honored to support LaGuardia Gateway Partners as well as the Port Authority of New York and New Jersey in this significant project.”

Along with a mix of award-winning New York brands and regionally sourced products, each operator also partnered with Airport Concession Disadvantaged Business Enterprises, or ACDBEs, to offer local and small businesses the opportunity to showcase their products within the new concourse and grow their brands.

The first retail shops and services for the eastern concourse will be announced shortly and an even more robust selection of food and retail offerings will arrive in the main part of the terminal and the western concourse. More than 50 new restaurants, shops and services will be available to guests as part of the overall redevelopment of LaGuardia Terminal B, keeping with LaGuardia Gateway Partners’ theme of showcasing the best locally-based amenities from right here in New York, plus a mix of exciting regional and national brands that travelers are looking for.

The \$5.1 billion, 1.3-million square foot redevelopment project of Terminal B is one of the largest public-private partnerships in American history and the largest in U.S. aviation. The new 35-gate Terminal B will replace the existing Central Terminal Building and drastically improve the travel experience for both passengers and airlines, as part of the overall \$8 billion redevelopment of LaGuardia Airport that Governor Cuomo first unveiled in 2015 and which began construction in 2016.

About the New LaGuardia Terminal B Food Offerings:

5 Boroughs Food Emporium

A custom designed concept for LaGuardia Terminal B, 5 Boroughs Food Emporium offers a modern, dynamic energetic marketplace curated with a great selection of snacks, treats, sandwiches, drinks and more from local purveyors serving up a taste of the Big Apple.

Osteria Fusco

Osteria Fusco is from acclaimed New York restaurateur Chef Scott Conant, and travelers will feel an instant connection to this approachable Italian concept. LaGuardia Terminal B passengers will appreciate Conant’s house-made pastas and soulful Italian cooking, served with a thoughtful selection of new and old world wines.

Irving Farm Coffee Roasters

A bona fide New York institution, Irving Farm Coffee Roasters has been an important fixture on New York’s coffee scene since it was founded as a neighborhood café near Gramercy Park in 1996. LaGuardia Terminal B will become the newest neighborhood to welcome Irving Farm - and its only airport location - with a vibe every bit as authentic as the locations on NYC’s streets and in other local transit hubs.

Kingside Bar and Restaurant

Founded at the Viceroy Central Park New York, the Kingside at LaGuardia Terminal B will be the first airport collaboration from regarded hospitality firm Gerber Group. Kingside features New American classics highlighting fresh, locally-sourced ingredients, paired alongside hand-crafted cocktails.

La Chula Bar and Taqueria

La Chula brings authentic 5 star quality Mexican food by Chef Julian Medina and redefines what quick-serve Mexican dining looks like. La Chula at LaGuardia Terminal B will feel every bit as authentic as the street location in Harlem, and feed travelers with the same speed and energy as the outpost in Grand Central Terminal.

Shake Shack

Shake Shack is a modern day “roadside” burger stand known for its 100% all-natural Angus beef burgers, chicken sandwiches and flat-top Vienna beef dogs (no hormones or antibiotics – ever), spun-fresh frozen custard, crinkle cut fries, craft beer and wine. Founded by revered New York restaurateur Danny Meyer, it has since grown from a humble New York burger stand into a global phenomenon.
